

Great Placemakers Wanted

Are you one of those rare, talented designers who can synthesise all the complicated issues and opportunities in a place to create an elegant and memorable master plan or regeneration strategy?

Yes?

Then we have good work for you to do.

Great projects, great colleagues, great workplace, great location, great salary and benefits and great prospects for people with great urban design skills and experience.

Too good to be true?

Check us out at www.davidlock.com

Email an illustrated CV to Lawrence Revill, Managing Director (lrevill@davidlock.com) or call him for more information (01908 666276).

No agencies—you have to tell us why you are the designer for the job.
