

OXLEY PARK: NEW PARTNERSHIPS LEAD THE WAY

Building design by Rogers Stirk Harbour + Partners : Architects

Location: Oxley Park, Milton Keynes

Client: English Partnerships and Westbury Homes (Holdings) Ltd

David Lock Associates acted for the two landowners of Oxley Park, English Partnerships and Westbury Homes, in joining together to prepare one framework plan for the development of 1300 new homes, a primary school, local retail and commercial premises and the retention of a site of special scientific interest.

David Lock Associates prepared the master plan and supplementary planning guidance on the design and then submitted the outline planning applications supported by an environmental statement which were

approved. Construction is now well underway by the two landowners and includes one of English Partnerships / DCLG's pilot projects in the "Design for Manufacture" competition.
